**WITHDRAWAL OF
PREPROPOSAL STATEMENT OF INQUIRY
DEPARTMENT OF ECOLOGY**

The Department of Ecology withdraws the following **CR-101** filing: WSR 05-18045, filed 9/1/05, pertaining to revising rules related to the Shoreline Management Act.

The CR-101 is withdrawn to provide an expanded scope for proposed rulemaking. Preliminary comments on the preproposal statement of inquiry identified rule topics potentially warranting revision that are beyond the scope of the original CR-101.

Immediately after filing this **withdrawal**, Ecology is filing a new **CR-101** to amend existing provisions in Chapters 173-18, 173-20, 173-22, and 173-27 WAC pertaining to the Shoreline Management Act (SMA).

Individuals desiring more information on this filing should contact Tom Clingman, Shorelands and Environmental Assistance Program, Washington State Department of Ecology, at (360) 407-7448 or via e-mail at tcli461@ecy.wa.gov.
